COMPANY PROFILE

ABOUT US

Appreciated, reputed and recognized for manufacturing and supplying a wide range of premium-quality kitchen and food-processing appliances, Jagruti Appliances LLP has been serving the industry since 1995. An ISO 9001:2015 certified company, we have built our reputation through consistent quality, modern technology and a strong understanding of customer requirements.

Our product portfolio includes domestic and commercial flour mills, pulverizers and food-processing machinery, along with our expanding range of home and kitchen appliances such as blenders, mixer grinders and juicers. By combining quality materials, modern technology and experienced professionals, we develop products designed to meet industry standards and evolving customer needs.

Our production capabilities enable us to manufacture products efficiently and in bulk quantities while maintaining consistent quality and performance. A structured quality-management approach at different stages of production ensures that the quality, reliability and functionality of our products are never compromised.

With decades of industry experience and a commitment to continuous improvement, Jagruti Appliances LLP continues to serve customers across India while expanding its portfolio of innovative home, kitchen and food-processing solutions designed to make everyday work easier, smarter and more efficient.

OUR MISSION

To provide good health and affordable kitchen & home appliances to every family with innovation, quality and services.

OUR VISION

To Become India's preferred kitchen & home appliances supply chain applying service quality and innovation to create sustainable growth business and society.

DIRECTOR MESSAGE

"A journey of a thousand miles begins with a single step."

What started as a small 100 sq. ft. manufacturing unit has today grown into **Jagruti Appliances, operating from a modern 35,000 sq. ft.** manufacturing facility and serving customers across India. While we are proud of how far we have come, we believe there are many more milestones to achieve.

Over the years, we have continuously expanded our capabilities while remaining committed to innovation, quality, and customer satisfaction. These values have been the foundation of our growth and the trust we have earned from our customers.

I sincerely thank our customers, partners, and employees for their continued trust and support. Together, we look forward to achieving many more milestones.

**"Quality is the best
business plan we execute"**

Mr. Yash Korat
Director,
Jagruti Appliances LLP

PRIDE

HAND BLENDER

Designed for effortless performance and everyday convenience, **PRIDE** - Hand Blender combines a premium, ergonomic design with powerful blending capability. Its stainless-steel 7-inch fixed shaft and durable stainless-steel blade deliver smooth and consistent results with ease.

Powered by a 180W dual-speed, high-efficiency motor, Jagruti **PRIDE** can efficiently process up to 10 litres in a single operation, making it suitable for both everyday kitchen tasks and larger preparations.

From creamy shakes and refreshing smoothies to soups, sauces, whipped cream and traditional favourites like Sarson Ka Saag, Jagruti **PRIDE** puts powerful blending performance right at your fingertips.
